

Actera

Adapinoil

Formulation #05-201

This luxurious oil features third generation retinoid, **Adapinoid®**, a unique pro-drug delivery system that is clinically proven to increase collagen, reduce photoaging, balance skin tone, decrease the appearance of pores, and clear acne-prone skin. Presented in **TeraFluid™ Rosehip**, a non-comedogenic, vitamin-rich, and sustainable carrier oil, that leaves the skin feeling soft and non-greasy.

Phase	INCI	Trade Name	%
